## SOCIAL WORKER

### EXPERT IN WOMEN AND CHILD WELFARE

My professional interests are in helping individuals live better lives. I enjoy researching the best ways to support and encourage clients while finding solutions to their problems. I want to use my interpersonal abilities to help the organization reach its objectives, particularly focus on challenging activities. I have an excellent track record on working child welfare (Care and Protection) and scheduled category tribes. I appreciate collaborating with others and I am willing to take on new tasks.
